

Big Sky Youth Empowerment
2014 Annual Report

OUR MISSION

BIG SKY YOUTH EMPOWERMENT PROVIDES LOCAL, AT-RISK YOUTH WITH AN UNPARRALLELED GROUP MENTORING PROGRAM. BY IMMERSING YOUTH IN LIFE SKILLS CURRICULA AND OUTDOOR ADVENTURES, PARTICIPANTS GRADUATE FROM HIGH SCHOOL AND HAVE ACTIONABLE PLANS THAT LEAD TO INDEPENDENCE THROUGH EDUCATION, VOCATION, OR SERVICE.

"It is not the mountain we conquer but ourselves."

- Edmund Hillary

Rock climbing generates great conversations around trust and risk which are then generalized to other areas of youth participants' lives.

LETTER FROM THE EXECUTIVE DIRECTOR

For thirteen years I've been witness to some of the most amazing things. A common theme at BYEP has been caring and passionate adults setting a stage for energetic and curious teenagers to grab life and take off. In 2002 Big Sky Youth Empowerment was a support group designed to increase both the youth's ability to form relationships and self esteem. Today Big Sky Youth Empowerment is a well-rounded **experience** grounded in 158 lesson plans designed to ensure high school graduation and develop a plan for independence.

At the peak of our enrollment during fiscal year 2014 we worked with 96 youth. A testament to the community's belief in our program, we were supported by 64 individual volunteer mentors (many of whom each gave over 200 hours of their time), an amazing board of directors, and over 200 in-kind donors (who

gave everything from snowboards to dinners). All of this support was complimented by an additional 457 generous individuals, corporations, and foundations that supplied the cash revenue allowing us to deliver our mission. Our success has been built upon a foundation of community support and belief.

During 2014 we started a **Work Placement Program**. This piece of our curriculum not only saw great collaboration with local small businesses, it provided meaningful, supervised, work experience for youth headed into the final year of high school. For the majority of our youth, this was their first real job and underlined the first of many relationships with adults who are not teachers, parents, or authority figures.

Now supported by a staff of 6 full time employees, BYEP is poised

to maintain momentum into 2015. Excitingly, we'll see our enrollment grow to 108 youth this winter. Our Work Placement Program will grow and we look forward to adding a unique and meaningful **Summer of Service** for youth entering their junior year of high school.

It is my hope that you will enjoy reading this annual report. It is because of you that we are here and making a difference. We firmly believe that our teenagers are our future and that they are full of potential, creativity, hope, and exuberance. Thank you for allowing us the pleasure of working with them.

Sincerely,

A handwritten signature in dark ink, appearing to read 'P. MacFadyen'.

Pete MacFadyen, LCPC
